Subject: Legislative Public Hearing on the Tobacco and Health Trust Fund Board Recommendations for FY09

The legislative public hearing on the Tobacco and Health Trust Fund Board recommendations for FY09 has been scheduled for Tuesday, November 18th at 10:30 a.m. in Room 2E at the Legislative Office Building in Hartford. I will testify and I encourage any and all interested board members to testify in support of our recommendations as well. You can sign up to testify when you arrive. The legislative committees (Appropriations and Public Health) will convene after the hearing has concluded to vote on our recommendations.

In light of the timing of the hearing, the previously scheduled board meeting on Friday, November 21 will be cancelled and we will hold our next board meeting on Friday, December 12 at 10:00 a.m. in Room 410 at the State Capitol.

Please contact Barbara Walsh at DPH by email at Barbara.walsh@ct.gov or by phone at 509-8251 if you would like to participate in the review committee for the QuitLine RFP which will likely meet the first week in December.

I look forward to seeing you on November 18. Thank you for your continued good work on behalf of the Tobacco and Health Trust Fund Board.
